Master Sergeant Scott grew up in Iowa and joined the Marine Corps after graduation in October 1992. MSgt Scott began his career at the Naval Air Station North Island and over the next decade served three deployments in Japan then served as an instructor at the MWTC in California training over 5,000 Marines, soldiers, Sailors, and other National Forces in tactics, techniques, and procedures operating in the different mountainous environments, and survival techniques.

In 2004, he reported to 3rd Light Armored Reconnaissance Battalion (3rd LAR) and was assigned as a Platoon Sergeant in Delta Company and deployed in support of Operation Iraqi Freedom (OIF) in the Al Anbar Province. On August 20, 2006, during his 2nd deployment to Iraq, Scott was severely injured in an IED blast in the town of Rawah, Iraq. He spent his recovery at BAMC for the next 18 months but still wanted to remain as an active Marine.

After his recovery, Scott served at Division Schools at Camp Pendleton where he provided support to Infantry Battalions and their Weapons Companies on all infantry tactics, techniques, and procedures. In September 2010, Scott was attached to I Marine Expeditionary Forces (I MEF) and deployed to Afghanistan where he was attached to the camp Commandant's Office supporting over 15,000 personnel and all Operations that occurred on Camp Leatherneck.

In 2011, he reported to Wounded Warrior Battalion-East, San Antonio Military Medical Center Detachment (SAMMC) and, served as the Staff Non-Commissioned Officer In Charge where he supervised the care and transition of all wounded, ill and injured Marines assigned to the hospital until he retired from the Marine Corp in January 2015.

Master Sergeant Scott and his wife Lilly have 3 children, Adriana, Isabella, and Blaine and look forward to being residents in Copper Ridge. Vintage Estate Homes has designed a beautiful 4 bedroom, 3 bath home that will meet his needs as a burn victim and includes a handicap accessible bathroom for other wounded warriors who visit them regularly.
